Village of Fremont Police Department will be mobilizing for "Click It or Ticket" safety belt enforcement from May 19 to June 1, 2008.

Village of Fremont Police Department will team up with hundreds of law enforcement agencies throughout Wisconsin for the Click It or Ticket safety belt enforcement mobilization from May 19 through June 1. This year's Click It or Ticket likely will be the largest coordinated law enforcement mobilization ever in Wisconsin.

The Click It or Ticket message is clear. If you're stopped by an officer and aren't wearing a safety belt, you will get a ticket whether you're driving or just a passenger. No excuses will be accepted, and you won't get a warning.

Our goal is not to write more tickets but to save lives and prevent needless injuries by getting more people to buckle up voluntarily. But if voluntary compliance fails, we are prepared to enforce the Wisconsin's mandatory safety belt law. It only takes a second to buckle up and avoid a ticket – or even worse – a violent death.
