

2009 Children's Fishing Tournament

Below are those who donated to the 24th annual children's fishing tournament. If it wasn't for these business and individuals this event would not be what it is today. So make sure you thank them and patronize the businesses.

We also ask that you check with your employer, union or association to see if they would be willing to donate to next years' event. Please click on the "[Donation Request from Employers](#)" form for and print a copy.

Hopefully we did not miss anyone if I did please e-mail me and let me know. Again Thank You!
